DECEMBER 2008 / Vol.17 No.12

If there's one thing we've always known, it's that real people are just as nasty as porn stars. Yeah, screen starlet Briana Banks (p66) might be the dirty girl of your dreams, but the hotties who've shared their confessions in this month's Readers' Lives (p86) are just as naughty. So is sexy secretary Angelika, who fucks Chuck (p138) and Daisy, who finally gets her threeway fantasy fulfilled with the help of her friends Leony and Matt (p22). Cheerleader Morgan is begging for someone to play with her pom-poms (p7) and mega-MILF Vivien (p104) is crazy for cock. They might be amateurs, but they're serious about dick...

MY SEXY SECRET!

"I DRAINED THREE SEAMEN!"

I was on vacation in the South of England with my favorite fuckbuddy when we ran into some sailors in a bar. As soon as I set eyes on them in their uniforms my friend knew I wanted them. He told me to go for it, then moved away to the back of the bar and watched me in action.

I ended up outside, getting fucked up against a wall by three sailors, one after another. Meanwhile my friend was watching from a distance. Believe me, we had the best fuck ever when we got back to our hotel!

SHOOTING STARS

MEMPHIS MONROE

SHE'S A GIRL FROM KENTUCKY WHO SPECIALIZES IN BOTH THE SUCKY AND THE FUCKY. MEAT SIZZLING SOUTHERN BELLE MEMPHIS MONROE…

HEIGHT: 5'5"
WEIGHT: 120 pounds
VITAL STATS: 34DD-26-36
HOMESTATE: Kentucky
BIRTHDAY: March 23

Tell us about your start in the adult industry.

I did some internet stuff and nude modeling for a fetish site, then an agent in LA contacted me. I went out and did my first scene for a Peter North movie, directed by Craven Moorehead but I don't remember whom I worked with [we don't know the guy either, but it was in *Peter North's POV 10*–The Editor]. The guy was experienced, and he helped me out and made me comfortable. Everyone was really nice but I was nervous, scared and didn't know what to expect. I took the name Memphis from a mainstream movie character plus it reflects the fact that I'm southern, and Monroe I took from Marilyn Monroe.

What turns you on?

I like being very sensual in my scenes. I also like it a little rough; I like starting out very slow and sensual but then I like to get dirty and turn on the hardcore level. My neck and my ears are the most sensitive parts of my body. If you go there, it's all over for me!

Gettin' drilled by Domino in Baby Doll's *Lesbian Centerfolds*.

What turns you off?

I hate when guys think that just because we're doing a scene together they can come on set and grope me. Or when they act like a know-it-all where they know everything about the scene and everything else better than you do. I hate it when they start giving direction and telling me what to do. I don't like being bossed around and that just turns me off completely. On film I hate being submissive! I love being dominant and in control of the situation. I like being a bad girl and when it comes down to it I like my sex rough and hard, but you can have that without crossing the line for me. I don't like being degraded, spit on or anything like that.

Had you been with girls in your private life before getting into the business?

No I hadn't but it wasn't because I didn't want to. I was always attracted to females and I always thought they were sexy and flirted with them, but I was scared to do anything about it. Now, I absolutely love it! Hillary Scott was the first girl I worked with in a scene.

Erik Everhard and Mick Blue lay down the hammers in Digital Playground's *Cheerleaders*.

Gettin' a taste of John West's wang in Adam & Eve's *Naughty Co-Ed Caper*.

Bending over for Mr Pete's meat in New Sensations' *I Know You're Watching 4*.

What type of girl and guy appeals to you?

I definitely like buxom girls, with curves, I don't like really skinny girls. I like girls with some boobs and some butt and some thighs and some meat! For guys, tall, dark and handsome will always work. I love working with new performers every day, I like something fresh and exciting. I always like new things and new people.

Are you a voyeur?

I do like to watch, I especially like girl/girl and guy on girl but generally I just love watching sex. I think it's hot and I like watching them if I don't know them.

Do you like to masturbate?

Every day! I love it and I'm

kind of spoiled now. I had never played with a vibrator before and now I just can't get rid of it, I just think it's the best thing ever. I love the vibration. I love the rabbit and the pocket rocket, the pocket rocket's the best. I'm all about the clitoris and stimulating, that's what works best for me; it's very hard for me to get off during sex.

Are you quiet or noisy when you're getting fucked?

Definitely noisy. I like the dirty talk and I am a dirty talker. I've always been loud, vocal and a dirty talker during sex; I was never shy about that!

What do you think you're best at sexually?

I love high energy, I love the hardcore, real dirty sex and I've been told I give great blowjobs! I love guys looking into my eyes when I'm giving them oral and I love being on top of them and riding them. I love having that power over men.

Are there any scenes that stand out as favorites for you?

I did a scene with Nick Manning last year where we had a lot of chemistry and it was my first DP, with a sex toy for the anal. Anytime I work with Evan Stone we have a great time and one really good scene was in *The Aphrodisiac*. I just worked with Erik Everhard and Mick Blue in *Cheerleaders* for Digital Playground and before the cameras started rolling Erik threw me on the bed, spread my legs and dove right in. That put me in a great mood and our sex was amazing. My favorite scene with a woman is in *Predator 3* from Wicked Pictures and I worked with Stormy Daniels. I had really wanted to work with her and I was ready and really excited.

Is there anyone you'd like to work with that you haven't had yet?

In addition to Stormy, I'd wanted to work with Jesse Jane and I recently worked with her too, but I would like to work with Tera Patrick. I think she'd be really hot.

What makes one of your movies special?

When people first see me, they see me as this sweet girl who can't possibly be in porn so when my fans watch my

Memphis ain't such a noisy fucker with a cock in her mouth.

Mr Pete spends some time in Memphis.

Memphis rides rod like it's the Kentucky Derby.

Memphis sure prefers fucks to books.

movies, they get to see me be dirty and nasty; they get to see the hardcore side of me. I think I fulfill their fantasy of being the girl next door who does really dirty things.

How do you spend your free time – if you get any?

I'm usually at home spending time with my dogs, cooking dinner, watching my TV shows, I'm recently addicted to *Cashmere Mafia*. I go to the movies a lot, go shopping, go out with my friends and live a normal life. I write a lot, I'm starting a blog for my site and I've recently gotten into reading.

Do you dance?

I do dance. I'm a house dancer when I'm home in Kentucky and then I travel as a feature dancer too. I love to be the center of attention, I love getting all dressed up and I love to entertain. It really excites me to know that they're being excited by watching me. I love meeting the fans, they're great. My fans can reach me through www.myspace/therealmemphismonroe or at my website www.memphismonroe.com. ♣

Daisy has often confessed to her best friend Leony that her hottest fantasy is a threeway with a guy and a girl, but she's too shy to make it happen. What she didn't expect was for Leony to arrange it for her – and to take part in it too. She's roped in buddy Matt – we're guessing it didn't take him too long to agree – as the third of the trio.

Daisy might be slow to start, but once Matt and Leony start getting naked, her pussy juices up and she jumps right in. She gets her first ever taste of Leony's pussy while Matt fills her cunt with his thick fuckstick, then swaps around so she can suck cock and get eaten out by Leony. As she cums at one end and swallows cum at the other, she decides this threeway business is definitely all it's cracked up to be... ♣

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

JIZZ RATING

CUM BLAST!
A TORRENT!
A NICE SPLAT!
A DAMP PATCH!
A DRIBBLE!

Who's the nastiest porn chick ever, and how do you work it out? Is it the girl who's done the biggest several-hundred-guy gangbang? The girl who does such extreme stuff that we can't even talk about it here? There's only one way to find out: I'm gonna have to fuck 'em all and report back. Ladies, you know the address...

HOUSEWIVES OF AMBER LANE

STARRING: Amber Lynn, Austin Kincaid, Diana Doll, India Summer, Michelle McLaren, Phoenix Marie, Randy Spears, Evan Stone, John West, Marco Banderas, Nick Manning.
DIRECTED BY: Randy Spears.
AVAILABLE FROM: Wicked Pictures.

HOT MILFS / COUPLES ACTION

Desperate Wives, Desperate House MILFS – hmm, wherever in the world do porn studios get their ideas? The latest directorial effort from veteran stud Randy Spears won't exactly have you scratching your head in bafflement as to its inspiration, nor praising it to the skies for its originality. No, how you feel about this movie will depend entirely on how you feel about its cast of MILFs, and watching them fuck in the typical condoms-on Wicked way.

The director casts himself in the opener with India Summer, an icy-looking blonde with oh-so-suckable nipples. Notice how I've skipped the negligible plot? You might want to skip this scene too. As fine as she is, the sex isn't exactly electric, although watching a boneable blonde in fuck-me heels riding rod is never hard work.

Phoenix Marie has two-tone hair, but that's as close as she gets to resembling a skunk. She's in the market for a new gardener (as I say, let's not focus too closely on the plot) and Marco Banderas looks like the top candidate, especially when he helps her out with her cock needs. After a nice blowjob he taps her twat in doggie, working up a head of steam. He hits that slot in a couple more positions before basting her boobs.

Former dancer and stripper Michelle McLaren has a few confidence problems as she's about to make a dancing comeback. John West soothes her nerves by breaking her off some dick – how nice of him. However, the sex is nothing new, so skip to Randy taking care of Diana Doll. He gives her cookies, she gives him cunt. Diana definitely has it all going on, and outshines all the babes who've come before her, again taking a rack rinsing.

Austin Kincaid keeps the looks level high, although her tryst with Nick Manning isn't exactly riveting riding. Much better is the finale with the main attraction herself, Amber Lynn. This vet knows how to handle a big rod like Evan Stone's, taking it to the back of her throat and then taking it every which way. She swallows her mess like she's glad to be back in action. We're glad too...

SUMMARY: Wicked goes MILF, with decent enough results. At the very least, the babes are all pretty damn hot.

WOMEN SEEKING WOMEN 40

STARRING: Anita Dark, Sochee Mala, Samantha, Ariel X, Rebeca Linares, Roxy De Ville, Nicole Moore, Veronica Rayne.
DIRECTED BY: None listed.
AVAILABLE FROM: Girlfriends Films.

ALL GIRL / LESBIAN LICKING

'Restless hearts searching for that one perfect woman' reads the cover of this all-dyke affair. Might I be so bold as to suggest that if you're seeking that 'perfect woman', she might not be found in a porn movie. I mean, the 'perfect fuck' or the 'perfect blowjob' maybe, but unless you want to see that chick fucking a whole lot of other people – and everyone else seeing it too – look elsewhere.

Maybe I'm overthinking it, when I should just be watching Euro legend Anita Dark getting it on with Asian hottie Sochee Mala. Anita has been sucking dick and tasting pussy for what seems like forever, but she still looks mighty fine to these pussy-seeking peepers. There's some unnecessary attempt at a plot set-up, but you'll probably want to cut to the chase, which is Sochee massaging Anita and then sucking her tits. Tits, by the way, which are among the best ever. They keep it toy free, using their fingers and tongues skillfully and building up a nice intimacy that still keeps the carnal heat going.

You can expect more of a tear-up from Roxy Deville and Rebeca Linares, and so it proves, to a degree. The two brunettes don't exactly go buckwild, starting off with another massage, but we don't have wait too long for them to give up on that and start slurping slit. They both get a good mouthful of ass as well as pussy, and then they scissor up to bump clits while going in for some toe-sucking. Again, we're toy-free, and that works again, the foot fetish stuff giving this enough spice.

Samantha Ryan and Ariel X share a massage – I'm beginning to spy a theme – and then do their thing. Without plastic being packed into every hole, it's relatively tame, but has a real feel you don't often get with all-girl films. The same goes for the last scene with Nicole Moore and Veronica Rayne going tongue-first at each other. Okay, there's a strap-on in effect, but they introduce it naturally rather than going gung-ho. The box promises realistic lesbian sex – they damn well deliver too.

SUMMARY: Don't go hunting for the perfect woman, but do go hunting for nicely shot, likeable, realistic lesbian action from some sizzling sluts.

JACK'S POV 11

STARRING: Rachel Roxxx, Britney Stevens, Hannah Harper, Annette Schwarz, Lacey Maguire, Tony De Sergio, Scott Nails, Mick Blue.
DIRECTED BY: Robby D.
AVAILABLE FROM: Digital Playground.

POV POLING / HOT CHICKS

Just when you think you're going to do the unthinkable and get sick of POV porn – especially with so many doofuses getting it wrong – along comes a new installment of *Jack's POV*, this time with at least three heartbreakers. Lacey Maguire is first on the dick, a bubbly Brit with a great natural look and a nice arse, as those Brits say. Mick Blue clearly likes her tits, as he's all over them, and then she's all over his fuckstick, keeping up some nice eye contact as she polishes and then places her pussy on it. After that it's standard POV fucking, but with the added bonus of Lacey's hypnotically jiggling ass cheeks and a decent grill-glazing.

Britney Stevens has some flesh in the right places too, and Tony De Sergio tries out her mouth and pussy before finally plumping for her asshole. She does some potty mouth which makes up for her lack of energy during the anal, and she doesn't shy away from her creamy pudding.

Mick's back to stir his stick around in brunette Rachel Roxxx. She's playing a maid – don't worry, no imaginations were hurt in the making of this movie – but fares better at cleaning cock than cleaning floors. Once she's put a shine on Mick's meat he bones her in a couple of positions. Her ass looks inviting but he doesn't get to go there – damn – and creams her chops instead.

Okay, now we get to the real deal – Annette Schwarz. Even when she's working for the big studios, she's still as nasty as hell, and here she huffs Scott Nails' not inconsiderable bone to the back of her throat, sinks her puffy pussy onto it and then takes his cock balls deep into her ass. What more do you need? The sight of her pale white ass repeatedly sinking pucker-first onto dick in doggie is worth the entrance price alone.

Which is a good thing, as Hannah Harper's scene isn't all it could have been. She's getting tamer with age, and while she was never an anal queen, she did used to sprinkle it into her scenes. Still, you can always rewind to Annette.
SUMMARY: Annette and Lacey lead the way, Britney and Rachel do just fine, and Hannah sure as hell looks nice, even if it's not her hottest scene ever. So yeah, it'll do for us.

ALL DITZ AND JUMBO TITS 7

STARRING: Kelly Madison, Alicia Bliss, Carly Parker, Lichelle Marie, Phoenix Marie, Ryan Madison.
DIRECTED BY: Ryan Madison.
AVAILABLE FROM: Porn Fidelity.

MILFS 'N' MAMS

Man, but Ryan Madison has got it made. It's not enough to have a wife with amorous intentions and a 34FF pair of chesticles, he also gets to invite lots of porn babes over to party with the two of them. That's just greedy. Add in the fact that he's also filming it and getting loot, and he might just about be the luckiest guy in the whole world.

Their first guest is another generously chested dame in the shape of bottle blonde Carly Parker. The ladies flirt together in sexy clothes before we're back in the bedroom and the action can start properly. Titty lovers are in for a real treat as Carly and Kelly bang their boobs together. Ryan decides to put his cock in the middle of them, and soon he's fucking Kelly's rack while Carly lingers at the top of the cleavage, sucking his cock with every thrust. They both suck his rod next, then he takes a turn in their slots, titflesh juddering as he taps their twats and then aims his suds at 'em, which they clean off. Like I said, lucky.

Phoenix Marie's boobs aren't in the same league, but she's cute enough to make this a double MILF-fest. Kelly and Phoenix are into each other, and taste each other's goods before sharing Ryan's stick. He screws Kelly's rack again and his shaft and balls get a working over from twin tongues before he lays pipe in them both. If the formula ain't broke, don't fix it.

Yet more enormous jugs hove into view when Lichelle Marie joins the Madisons. Tit-fucking? Check. Double blowjob? Yup. Girl-on-girl pussy eating? How did you guess? It's only in the last scene where the formula wears thin, mostly because Alicia Bliss isn't up to the standard of the rest of the cast. In fact, we don't even get any boob-banging, which is a crying shame.
SUMMARY: A guy and his hot wife fuck some pretty hot babes. Take a mark off if you don't feel Kelly, because there's a whole lot of her.

BUBBLE GUM CUTIES 3

STARRING: Marina Mae, Marissa Mendoza, Faye Valentine, Brooke Belle, Isabella Amour.
DIRECTED BY: Will Ryder.
AVAILABLE FROM: Bad Seed.

NEW GIRLS / STRAIGHT SEX

Another growing new girl line, another set of fresh-off-the-porn-boat babes to run the rule over. Who's gonna make it? Who's gonna fall by the wayside? In the short term, who's gonna give me a diamond-cutter boner? Well, Isabella Amour does a good job of the latter, unveiling her incredibly prominent pussy lips. Seriously, you could cross a desert on her camel toe. She blows some gum then blows some pecker, showing she's got plenty of skill on the stick by giving Alec Knight a damn near perfect mouth bath, sucking on his nuts for good measure. She must have oral cravings because she hops off his hambone to taste her own pussy juices, and after some reverse cowgirl (with more views of that plump pussy) she swallows some jizz too, making sure she cleans Alec off. More please.

Tiny-titted brunette Marina Mae doesn't get a gentle introduction to porn, because her partner Billy Glide has a rod that will stretch even the most practiced of pussies. He gets her as ready as he can, fingering and licking her twat, and she returns the favor, stretching her yap around his meat as best she can. Then it's time to try her puss out, and Billy doesn't hold back, finding her slot as tight as her body. I could watch this girl fuck again, and I'd definitely line up to see her swallow another load.

I've seen pale and freckled redhead Faye Valentine in action before, and while she's plenty cute, she could have gone a bit easier on the eye make-up. Donny doesn't mind one bit, however, sucking on her perky nipples then enjoying a hungry blowjob. She's skinny, but she still looks damn good lying down for length and then sucking the dick clean.

Sexy blonde Brooke Belle rocks up in pigtails, chewing gum, but then reveals her hot side by unveiling her fine tits and presenting her cunt for Jeremy Steele to eat. He juices her up then feeds cock to her mouth and pussy. She's got more than enough energy for a porn career, and further builds her rep here. The last girl, Marissa Mendoza, is a little too skinny for this reviewer's tastes, but it's a decent enough scene (and a collector's item in that it's a Kurt Lockwood scene where he doesn't get his salad tossed). Even with a slightly weak ending, this is one set of bubblegum babes that doesn't blow.

SUMMARY: Fresh-faced porn newbies dress up all cute to get cock. We likes.

LESBIAN LIAISONS

STARRING: Aneta Keys, Jo, Yasmine Gold, Crystal, Caroline Cage, Sheila, Hannah Hunter, Pocahontas, Linda Brown, Lauryn May, Eve Smile, Bridget, Eufrat.
DIRECTED BY: Andy Carter.
AVAILABLE FROM: Digital Sin.

DIRTY DYKES / EURO BABES

On first appearances, this looks set to be the complete opposite of *Women Seeking Women 40*. For starters, there are toys galore on the box cover, and the entire cast is European – those girls don't usually take it easy when it comes to fucking. Add in a cast of thirteen and three hours of action, and this looks set to be pretty exhausting. For my balls, anyway.

Caroline Cage and Sheila (really, you could try harder on the porno name) get the ball rolling, and it's big tits all the way for these hotties. Well, big tits and a strap-on. All well and good as long as they remember the golden rule: sucking a strap-on is pointless, unless it's pussy-to-mouth. Yasmine Gold gets a couple of scenes, and her hook-up with Crystal is a finger-fucking battle of the fake blondes – and damn sweet watching it is too.

Aneta Keys and Jo might not be household names in the States, but they've got a following in Europe (hey, it's my job to know these things) and you can see why. Aneta is hotter than hell, and Jo only a few degrees cooler. They bump pretties (well, they sure ain't uglies) on a sofa and stick each other with a blue dildo before Jo dons a strap-on for fucking fun.

Bridget and Eufrat are supposed to be biology students, but they swap the lab for labia as they delve under plaid skirts and cram a fat old dildo into each other. Oh, and Eufrat gave me the eufattest boner I've had all day. Somebody import her – to my apartment, if you please.

Yasmine Gold is back to make Eve Smile smile wider than ever before with some poolside pussy pampering. It's nicely shot, and they're clearly into it, but it ends a little abruptly. Maybe they were waiting for a cock.

Another girl in need of a new porn name is Linda Brown, and she's also in need of a toy in her twat from Lauryn May. But the hotties don't stop coming, and Hannah Hunter and Pocahontas make sure there's not a single weak link in this non-stop toy-fest. Thirteen girls? Lucky for all.

SUMMARY: Exemplary Euro lesbian licking, with nothing but really hot girls. Seriously, where do they get 'em all?

IN THE PINK!

PINK VISUAL HAVE MADE THEIR NAME ON THE NET, BUT AS THEY MOVE SEAMLESSLY INTO DVD, ACME ANDERSSON LOOKS AT A DAY IN THE WIFE…

If you fuck her hard enough, she might wake up.

After years of creating internet content for nearly 100 sites, Pink Visual was established in 2004 as a DVD outlet for their vast library.

"We were getting a lot of requests from our site members who wanted to see the scenes on DVD," says Kim Kysar, Pink Visual brand and product manager. "Basically, we were able to create a new fan base for our content with DVDs, and satisfy our members, too."

While the Pink Visual catalog includes a multitude of specialty, pro-am and gonzo titles, much of the company's output is reality titles like *Wife Switch*, *Masters of Reality Porn* and *College Wild Parties*.

"*Wife Switch* was a quick chart-topper for us, customers love the DVD, love the site, and it quickly became a huge success," Kysar says. "It's a very big hit for couples, because it plays off of the pros and cons of switching partners. You get to see the jealousy, the fun, the benefits, the break-ups, the resulting drama, in addition to the amazing sex those types of emotions can stir, whether they're real couples, or an exceptionally talented performance. The format is very 'Porn TV.'"

Pink Visual is currently releasing six to eight DVD titles monthly, but the company isn't limiting itself to internet and DVD. "As customers start to move to the on-demand type services being offered by cable companies and subscription set top box offerings, Pink Visual will be there too," Kysar says. "We're making sure our content is available wherever and however

Road-testing a new couch just got a whole lot nastier.

As if swapping cocks wasn't enough...

our customers want to view it, including mobile and iDevices."

Spouse swapping has probably been around since marriage was invented, but modern technology now allows us to share in their joyous (and sometimes not so joyous) adventures. Pink Visual's *Wife Switch* series gives us a peek into the experiences of wedded lovers sharing their spouses, often for the first time.

It doesn't always go smoothly. Some are shocked by the very idea. Naturally, many who agree to try get jealous, but in the end everyone has a good time getting it on with a new partner. They may not all try it again, but they enjoy it while it lasts. And for some others, it's a lifestyle, a constant desire, and we viewers are just lucky to get to live vicariously as they have their fun.

A typical scene goes something like this: first each couple is interviewed separately, they talk about how they met,

what attracted them to each other, why they dig each other and then some talk about swinging – whether or not they've done it before, whether they're interested and how they expect their little trade-off to work.

In the first scene of volume one, Seth and Regan, married six years, meet up with Jack and Vanessa, who have been married six months. Both couples are curious about swinging, but don't really know how to get into it. Seth and Jack, who workout at the same gym, get to talking one day and the *Wife Switch* concept comes up and next thing you know, the couples are meeting in front of the cameras. To say they hit it off would be an understatement.

"I see *Wife Switch* as a way that I can be faithful to the woman that I love but I can still get some pussy from other girls," Jack says in the pre-interview. "It's not a big deal. At the end of the night I'm still going to curl up with this lovely girl."

The girls get together first, undressing and fondling each other, obviously riling up their hubbies. Soon they move inside and the guys are drilling each other's wife as the girls fondle both themselves and each other. They switch positions together, so each girl gets her equal share of doggie and cowgirl and the like. They watch each other, enjoying watching their husbands fuck another woman, and the guys do the same. The go until they all cum, and then afterwards they do another interview, and in this case all agree that they want to try this swapping thing again.

But it doesn't always work so cleanly. In volume 3 we find Joe flipping out on wife Alana when she seems to be having a little too much fun. One minute both the lovely ladies are getting rammed doggie style, the next Joe jumps up and starts bitching at Andrew for fucking and spanking his wife too hard. Andrew pulls out of Alana and Joe takes her into another room and takes her to task, asking her when she "became a fucking porn star," and saying things like, "I didn't even know you knew these fucking positions!" The real irony here is that the whole thing was his idea – in her pre-interview, Alana said, "I think our marriage is just fine and doesn't need any spicing up. In fact, I don't really want to be here, I think this is stupid, and I'm basically here because he'd do it without me and I'd rather he didn't cheat, so I thought I'd give it a try."

Meanwhile, back on the couch, Paige is expressing her own concerns. But in the end, both couples realize that they love

Welcome to Nikki's shaved new world.

each other and everyone is cool and the action resumes. Paige and Alana take their guys, suck them back to full hardness and get back to fucking.

Paige gets on Joe and rides him hard, while Alana gets on Andrew reverse cowgirl, rubbing her lightly-furred cooch with her left hand, her wedding band glistening from her pussy's wetness. Both couples lose themselves in the action, cocks ramming deep inside, clits standing at full attention as the girls cum, and then and only then do the guys get to blow their loads. Alana gets hers first, with Andrew blasting a porn-size load on her big tits as she looks up at him with a smile. Next Joel pulls out at the last second and covers Paige's racing-stripe muff with his white stripes.

As it turns out, Alana is the one who found it most stimulating. In her post-interview she says, "Andrew opened up a side of me I didn't know I had. I have to admit I'm really surprised that it seemed to bother Joe so much and I thought he

would enjoy that I got into it and had a good time."

On the other hand, Paige says it made her realize that Andrew was the one man for her. But she was just as quick to say that she really enjoyed the experience.

In another scene from volume 3, Charles and Brooke trade with Jennifer and Tony. Brooke is enthusiastic, hoping this will help her loosen up and perform better at home. On the other end of the spectrum is Jennifer, a European beauty who doesn't live up to the openness Americans associate with foreign gals. "I'm a little scared it's not going to work out, that I be a little jealous, you know?" she says in her cute, broken English. "What if he is going to like the other girl better?"

Tony is the one in the relationship who wants to swing. He's been trying to get her to go along with this for a long time, and finally Jennifer agrees. But that doesn't mean she doesn't get jealous. As the girls start giving their new men head, Jennifer can't stop turning around and watching Brooke suck off Tony. He tells Jennifer not to worry, asks her if she can see and she says she doesn't want to see. Once she gets her focus off Brooke blowing her husband, she gives Charles a grade-A blowjob. Then they get undressed and they all agree it's time to fuck.

Tony takes Brooke in a spoon as she

slowly rubs her bald pussy, while Jennifer gets on her hands and knees and as soon as Charles' dick is inside her, all inhibitions are gone and she moans for him to fuck her harder: "Right there, right there, right there!" she screams. Then everyone goes doggie so the girls can face each other and watch and kiss. The suck on each other's tits when they aren't moaning or calling out nasty things like "fuck that pussy," and "don't stop fucking me with that big dick!"

When all is said and done, Brooke takes a monster load on her tits, then turns to watch her hubby unleash his goo in Jennifer's mouth.

In the end, everyone had a great time and they all agreed that they just might try it again. And even if not, five more horny couples swap it up in *Wife Switch 4*, released this summer, with *Wife Switch 5* available in October featuring a scene with veteran swinger Nina Hartley. All's well that ends well. ♣

SPERM BANKS!

SHE MIGHT BE A VIVID GIRL BUT, AS ACME ANDERSSON SOON FINDS OUT, PORN LEGEND BRIANA BANKS IS STILL A GONZO GOO-HOUND AT HEART...

John Strong, Manuel Ferrara and Mick Blue are the magic number in Red Light District / Vivid's *Perfect Match*.

There are few girls in the adult industry who are recognizable by a single name. Briana Banks may have two, but when someone says 'Briana' in Porn Valley, everyone knows whom they are speaking about.

She started performing at 19 after seeing an ad saying she could make $1000 in a day doing nude modeling. With rent due in a week, it seemed like the perfect solution. Soon this girl, who had only been with one guy before, was on her way to stardom, spreading her legs in some of the filthiest scenes being shot in the industry.

Then her career took a strange turn: the country's foremost gonzo girl, who had performed in hundreds of scenes, got a contract with the world's foremost company: Vivid Entertainment. Briana Banks became a Vivid Girl. Eight years later, she's still with the company. While she's taken a couple of breaks here and there, she's still very much a Vivid Girl. But don't think her filthy side has been stuffed away in the closet or tossed aside like a pair of panties. It's still in her, and here she suggests there may be some dirty things to come – very dirty things...

What are you wearing?

I'm completely naked right now. I'm one of those girls who really hates to wear underwear, it bothers me.

What do you think is the dirtiest scene you've ever done?

Max Hardcore. I did it, I would never do it again, it was probably one of the most degrading scenes I have ever done, and I dropped out of the business for two months afterwards. It wasn't painful, because his dick is small, and even though he does anal the whole scene, it's more what he says to you and it gets in your head. I also did a DA with Bobby Vitale and Erik Everhard, and neither of them is tiny in any sense of the word. And then I did a five-on-one for Anabolic.

"I like rough sex. It's hard for me to do a gentle lovemaking session. I find it a little boring..."

Where do you draw the line?

The Red Light/Vivid movie *Perfect Match*

was the last movie that just came out, and Manuel Ferrara directed and I did three guys and it's very dirty for a Vivid movie. There's all kinds of ATM, squirting – I didn't even know I could squirt until Manuel – and it's selling like crazy, it's got five stars all around the board, but I would definitely say my limit is three. Any more than three is a clusterfuck, you don't know what's going on and there are just too many dicks in your face.

Give us your cocksucking advice?

My advice to a woman is – depending on what the guy likes, because some guys don't like to be deepthroated – but my technique is you start on the tip, you start soft, you tease, you lick, you kiss, you slap on the tongue, then you spit on your hand and kind of use the hands and the mouth at the same time, and then you go down a little bit deeper, a little bit deeper, until you have the whole thing in your mouth, then back up and continue on the head. A lot of teasing, and then when the guy is super hard, then you do that noise I do with my throat when I deepthroat, kind of like… I can't do it like there's a penis in my mouth.

It's kind of a quack-like sound.

Yeah, that's because it's hitting the back of my throat and beyond. My tip is tease them, tease them, tease them. If you go right into it – it's just like with a woman, I don't want some guy to just jump into my vagina area and just start going crazy. I like to be teased, I like the outside licked, the panties licked, the panties pulled up in-between, it's all about the build-up for me, that's what gets me excited and the reason I wanna get fucked. I don't wanna just be bent over and have it stuck in.

"You go down a little bit deeper, a little bit deeper, until you have the whole cock in your mouth..."

Have you ever met a penis that you couldn't deepthroat?

Rocco Siffredi was pretty tough. That thing is inhuman. I got pretty close, but there's only so much throat, and I think there was probably about two inches that I couldn't get down.

Is this the kind of thing you like at home?

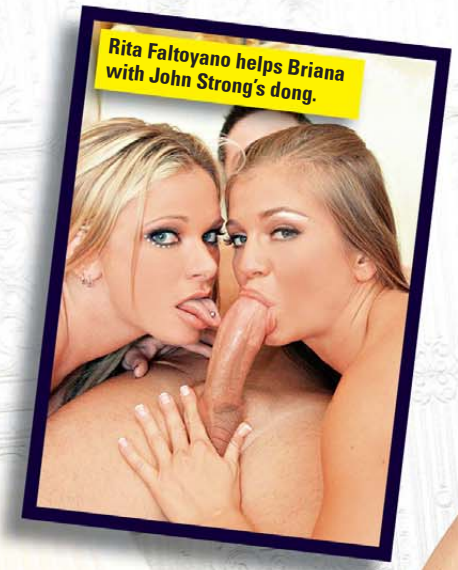
I like rough sex. I like being choked with hands to the point where I almost pass out and then you come to and it gives you such a great orgasm. I like spitting, I like my mouth being spit in. I like slapping, not to the point where it leaves bruises, but I'm definitely into the hard stuff. I think that's because I pretty much learned about sex doing porno, so it's hard for me to do a gentle lovemaking session. I find it a little boring.

Vivid isn't known for all these things, so do you ever feel a little held back?

In all reality I am known for that, because I'm really one of the only Vivid Girls that did 800 gonzo scenes before I was signed by Vivid.

Eight hundred scenes? Surely you must be exaggerating.

No, I'm not. I started in the business at 19, I worked almost every single day, sometimes twice a day, everything from Max Hardcore to Jim Lane productions, I'm on probably 50, 60, 70 of their box covers. I did about 800 scenes before I ever signed with Vivid. I was already a huge star before Vivid signed me. So I have both fan bases, I have the Vivid fan base that likes the more gentle, softer, story-themed lovemaking, and then I



Rita Faltoyano helps Briana with John Strong's dong.

"I want to do dirty, nasty gonzo movies. I want to be doing the dirty stuff that people want to see..."

have the people who love the Max Hardcore, double stuffed, slapping, choking, spitting, disgusting, just crazy, off-the-wall stuff.

You never answered the question: do you ever feel held back by Vivid?

I've been a Vivid Girl for eight years now, and I would like to start doing a little more hardcore stuff for the fans who have stuck by me even through the Vivid years. I've gotten tons and tons of letters that say they want to see old school Briana, and so I want to start my own production company, but I think Vivid gave me a whole different area of fans. I wouldn't say they held me back, they created a whole new Briana Banks. I want to have the choice where I can do either. I want to be able to do big budget movies and I want to do dirty, nasty gonzo movies also. I want to be doing the dirty stuff that people want to see, and I don't think people right now are into the pretty, glam, softcore movies.

What was your first girl/girl like?

My first girl ever was Lita Chase. I showed up on a Zane production and it was supposed to be me and TT Boy. I did my own makeup, and I had tiny little boobs, I was still going by the name Mirage, and there's this gorgeous blonde, huge knockers, and I figured she was in the next scene and they told me last minute that I was doing a girl-girl-boy. I had never been with a girl in my life, I was petrified; I thought she was the most beautiful woman I had ever seen. She came in and fixed my hair, re-did my makeup, gave me something to wear. I was a little 19-year-old girl and she basically guided me through the scene. She was like, I know you have no clue what you're doing, so just let me do you and you just work on TT Boy. Then she and I became best friends and I ended up two weeks later changing my name to Briana Banks. We became very close, I experimented, I really started enjoying women, I got my practice on how to please a woman. I'm lucky I got a really cool girl for my first scene.

Lita taught you how to do girls, so let us in on the secret.

The same thing you do with the guy, you tease, you don't just dive right in. I like to rub the outside of the panties and pull the panties in between the lips and lick the panties. Even though giving a girl head is already foreplay, I try to make foreplay of the foreplay.

I get turned on when I can feel the girl is wet through her underwear, that's when you know it's time to pull the underwear to the side. I like to do light licking and then maybe a little tip of the finger, get them so excited that they're begging for you to stick your fingers in them. I lightly nibble on the clit, I've gotten really good at it, and I like to wear a tongue ring when I'm giving head because women seem to enjoy it far more than men. Men like the softness but women like the tongue ring, you can sort of slowly circle it around the clit, it drives them crazy. I take my time and I have fun.

Manuel Ferrara shows Briana how to squirt.

Blowing Bobby Vitale in Digital Playground's *Island Fever.*

"I like public sex because it gets you even hornier, the thought of being caught at it..."

How do you like to be fucked?

Doggie style. I like my hair pulled and my favorite is doggie style with a mirror, then you can see from every angle, you can either sit up in more of a reverse cowgirl or I like to arch my butt way up in the air and watch the guy look down, watching the penis go in and out. And I can rub my own clit or the guy can rub my clit and I can cum very easily.

Do you masturbate a lot?

I only do five movies a year now, so you can imagine I have quite the toy collection. My favorite is the pocket rocket, because if I lay on my belly and I put a pillow under my hips, I can finish in one minute. I put that baby on high and I'm done. It's quick, easy, to the point.

Ever use it while driving?

I don't, because when I cum I twitch and I would probably cause an accident if I accidentally hit the gas pedal. My body convulses, so I haven't done it in the car unless it's parked.

Where's the craziest place that you ever had sex?

Behind a dumpster. Bobby fucked me from behind and it was very sporadic and he had my mouth covered, banging the hell out of me, and it was hot because it was public, so you're taking that risk of getting caught. The combination of different factors made it really intense.

I like public sex, because it gets you even hornier, the thought of being caught. What would you say? How would they react? Would you get in trouble? Would they just kick you out of the store? There's always that curiosity behind it. I've given blowjobs on airplanes.

Have you ever been caught doing any of these things?

No, and I don't know why not. I remember one time Bobby and I were coming back from a location and we pulled over and we were fucking and all of a sudden we noticed the car was rolling. Luckily he hit the emergency brake just in time before we went off the side of the mountain, but it would have been a great way to go. ♣

CHILLED 'N' THRILLED

Forget cocktail hour – all I need waiting for me when I get home after a long day's work is a stiff cock. And most times that's exactly what I get from my man Neal.

One recent Friday, I got back after a real tough day. I'd called from my office to tell Neal to be hard and ready for me, but I found him on the couch, watching TV. He told me to go upstairs and get naked, that he'd join me when the show had finished.

I was so mad at him – well, for about the next ten seconds anyway! Stomping into the bedroom I found Brad, his buffest buddy, sprawled naked on the bed stroking his boner. He was jacked solid so I just stripped naked, dove on the bed and wrapped my mouth around it.

"Less stressed now, honey?" Neal asked, fingering my ass-crack from behind. I let Brad's groans answer that one for me, as I slurped and moaned around his meat.

Now Neal was licking me, sucking my snatch and dribbling saliva all over my asshole. I felt him shift position and play his cock on my pucker, so I braced myself, gasping as he penetrated my butt – and Brad's groans echoed me as I sucked even deeper and harder on his schlong.

Neal did me slow. He wanted to watch me blow his buddy, and to enjoy the feel of my asshole grasping tight around his shaft. He told Brad how much I loved a stiff prick in my ass, and how just one cock was never really enough to satisfy me.

My sucking mouth was enough for Brad right now – and I could feel his balls bunch up in my hands. I gave them a firm squeeze, forcing out a huge, hot load which I gulped down my throat. Then I just kept on sucking until there wasn't a single drop left.

Neal started to ram my butt faster, his whole length moving like a piston. As his crotch slapped up against my cheeks, he told Brad to look how hard I could take his cock. Within a couple of minutes, Brad was getting another boner, though he wouldn't put his dick near my mouth – scared I'd clamp onto it and suck him dry again before he got a chance to fuck me!

I told Neal I wanted him to cum in my ass, but he pulled out until his helmet was stretching my ring – I felt every twitch and the huge, hot-liquid gush of spunk as he blew his load. He pulled right out, holding my ass cheeks wide apart, and Brad – now stiff again – came around back and thrust in, inch by slow inch, until his balls were resting against my crack.

His dick was thicker than Neal's so I felt my asshole stretch a little wider, but I didn't have any problem taking it hard off of him, lubed by Neal's spunk which spurted out with each thrust.

Neal came around front to play with my tits. The sight of Brad banging my asshole got him so horny, and I jacked his dick to keep it rock hard, even though I wasn't sure what I planned to do with it just yet.

Now Brad was groaning that he was gonna cum, and he pulled out. I rubbed my clit so my ass rippled around his dick as he withdrew. Then he jacked himself all over my asshole, crack and cheeks. I told Neal to get in behind me and spunk on my ass too, and asked Brad to get his cell phone and take some pictures.

Neal managed a few thrusts inside of my pussy, which hadn't gotten much attention up to now. Then he creamed all over my butt, running a sticky stream to mingle with Brad's cum.

His dick was thicker than Neal's so I felt my asshole stretch a little wider, but I didn't have any problem taking it hard off of him...

That's one of the horniest pictures ever taken of me, both my holes stretched wide open by their cocks and swimming with thick jizz; Brad even captured me looking back over my shoulder with a big, dirty

HILLARY & ERIK

Some chicks are just built for big dicks. World-class fuckstress Hillary Scott doesn't flinch at the length and width of Erik's mighty hambone. In fact, her pussy gets damp at the sight of it and, after licking her lips, she's soon licking the tip of it. It grows even bigger in her mouth, but Hillary keeps on sucking it deep, getting it sticky to the root so that she can slide her pussy right onto it.

You don't get to win awards like Hillary has unless you know how to milk a cock with your cunt walls, and soon Erik is having to try pretty hard to not coat the inside of her pussy as it corkscrews down on his bone. He manages just long enough to get her off, then lets her jerk his joint until it gives up its seed. Seems like Hillary is built for swallowing big loads too... ♣

grin on my face!

Neal said Brad wants another threeway, so I'm planning a weekend of fun for us. I don't need a bad day at work to justify draining two sets of balls!

REALTOR RUN-IN

During a recent trip to the coast I fell in love with this townhouse with open air terraces, set against the ocean. I immediately made a call to the local

realtor's office to set up an appointment to view the property.

To my delight, Michelle, possibly the hottest woman on the planet, dropped by to make the house call. There she stood, this brunette goddess with sun-kissed skin, perky tits and long legs wrapped in silk stockings. She was my wet dream brought to life!

Although I'm a successful businessman, I couldn't string two words together and followed her around the empty rooms like a lost puppy. "Let me show you the floor-to-ceiling glass wall in the master bedroom," Michelle purred, unbuttoning the first three buttons of her red satin blouse. She licked her lips, grabbed me by the tie and slowly led me upstairs.

By this time my cock was huge and

I cupped my hands over her tits, squeezed her nipples between my fingers and continued to grind my cock against her...

ready to break through the zipper of my pants. "Wow," Michelle giggled looking at my monster bulge, "I guess this house really turns you on."

Right then I knew I had to make my move or always regret letting this golden opportunity pass me by, so I grabbed Michelle's wrists and pinned them against the glass wall in front of us. I leaned in close and began to rub my stiff sword over the curve of her ass. "I like something else much better than the house," I replied, jamming my foot between her stiletto heels to open up her legs nice and wide.

She pressed her face against the glass and told me to take her. "Stick your ass out and shake it for me," I instructed her, biting her earlobe and licking my way down her neck until her body was covered with goose bumps.

"What are you going to do to me next?" she whimpered, as long trails of pussy gloss streamed down her inner thighs, collecting in the lace trim of her stockings. I reached my hands around her chest and tore her shirt open, causing pearl buttons to scatter across the marble floor. She gasped, pressing her pert nipples against the wall until two perfectly round smudges decorated the glass.

I cupped my hands over her tits, squeezed her nipples between my fingers and continued to grind my cock against her. Finally, I grabbed the bottom of her tight skirt and rolled the material up and over her ass. Her red panties were soaking wet in the middle. I clasped the damp

fabric between my teeth and pulled down, eventually letting go and snapping her panties back against her pussy. I did this a few times before tearing the fabric away with my hands. She knew exactly what I wanted to do, bending her legs at the knees and holding onto the wall so I could take her down in standing doggie.

I held her waist and drove my nail into her hole. Like metal to magnet my boner connected to her wet cunt hard and fast. "I can't get enough of your hard cock," she sighed, licking the glass and smacking her ass against me. The sensation of staring down at my dick slamming into this delicious piece of ass spread out before me, framed by the spectacular view of the ocean, couldn't be topped – that is until Michelle spun around and fell to her knees to suck on my cock!

She grabbed it in her hand, spit over the entire length and secured her lips around the head. Soon she was painting my pole with red lipstick rings and circling her hands around my shaft. She gazed up at me with her big brown eyes while strumming my balls with her tongue and rubbing my asshole. "Keep those gorgeous eyes on me," I insisted, grabbing her face in my hands and watching her mouth slowly move up and down my twitching stick.

We moved into a sixty-nine so I could pull her apart at the knees and long lick her clit. It didn't take much to make her cum all over my tongue. When she was done climaxing I jerked my load into her mouth, with the promise of much more to come if she secured the property for me. It wasn't long before I had the keys to my new townhouse... and Michelle's private phone number.

TRASHY TAIL

Walking home after visiting with someone in a trailer park, I passed a unit with the light on and the drapes open – and saw a couple fucking. He was a big, rough-looking guy, she was petite but more than his match.

As he fucked her from behind, shunting her up the mattress, she was yelling for more. Then he pulled out, flipped over on his back and she rode him, mashing her tits in his face and her cunt on his cock.

Now she pulled off of him and started playing with her own boobs, saying she wanted him to spunk on them. He straddled her, jerking his drenched dick until they got a frosting. Then she grabbed his cock, still hard, and rubbed it all over her face.

My pussy throbbed just watching them and when I put my hand in my underwear I was dripping wet – but all I could do was go home and frig off.

I mostly forgot about them, though anytime I masturbated I'd picture them going at it and cum flying everywhere. Then just over a week later, back at the trailer park, I bumped into the girl.

I felt like I had to say something to make sure she knew her private life wasn't so private. She knew. It turned out the guy – some trucker she fucked when he was in town – liked the idea of being seen.

I told her I didn't blame him – I'd seen the size of his dick! She laughed, told me I was cool and invited me in for a drink. We got a little buzzed on cheap wine and talking dirty and she asked did I wanna sleep over.

In her bed, I told her how turned on I'd gotten, watching her get fucked by his big dick, and she grabbed a huge dildo from

underneath the bed. She spread her legs and, despite what I'd seen, I didn't think her tight little snatch could take a toy this size. Well, that was my excuse to give her a licking and get her wetter!

I went down, lapping and probing, fingers teasing her clit. Then she asked me if I was a lesbian. "You eat pussy like a dyke," she moaned, then came in my mouth, all salty-sweet.

I didn't leave her time to recover, just slid the dildo in her hole and jackhammered it. I don't know who was fucking whom – I was pumping it but she was thrashing on the bed, humping herself on and off of it. I kept having to switch hands because my wrists got tired from the demands of her snatch!

Eventually I pulled her into some kind of an ass-up piledriver position, and banged her so deep the wet butt-end of the dildo kept slipping out of my grasp. She'd cum a few times now, so she pulled the dildo out, rubbed a little wetness on my nipples for her to taste, then gave it me to suck clean. She had another little toy to use in my cunt and asked if she could do me from behind.

She drove me crazy, stirring just the very tip around at my opening. Then she had me stand up and bend forward so she could kneel behind me and push it in for a slow, deep stroke. Meanwhile, her mouth was on my clit, just kissing and licking as it swelled up.

A tingle was spreading throughout

my crotch, a pulse-beat building. Add to this the blood rushing to my head, intensifying it all, and my legs were trembling. Suddenly, she told me to stand up straight; I came over so dizzy I found it hard to stay on my feet and that was even before the biggest orgasm of my life hit me hard.

"Keep cumming," she breathed against my clit, as she thrust her toy in and out my soaking hole. I took another suck on the other one, and that just got me off even harder.

She now knows I'm bi, like she is, and that I want a pounding from her trucker buddy's thick cock sometime. She says that's fine, as long as she gets to drink his creamy spunk out of my dripping pussy right after. I was thinking maybe she could drink it out my butt too, if he can see his way to fucking me in the ass as well – I figure he'll play ball. I see her whenever I'm at the trailer park; the person I visit there keeps talking about this total slut who lives nearby. It's so hard to resist saying, "I know – I'm fucking her!"

HOUSEKEEPER HOSEDOWN

Renee is our hot housekeeper. She's been with our family now for several months. Needless to say I was thrilled the day I walked into our house and was introduced to her. There she stood, this stacked brunette with round tits, curvy hips and full lips perfectly suited for sucking cock.

Around my wife, Renee acts very shy and reserved, but around me she is a bit more flirtatious, often bending in place to adjust her knee high socks, and pressing

her lips against my ear when asking me the simplest questions.

Over the past few months our interludes have become more erotically intense. Just last week Renee was stirring up a pot of homemade spaghetti sauce when she dribbled a little on her blouse. Instead of patting the red stain off with a towel, she removed her shirt, showing me a glimpse of her natural rack that was visible through her white lace bra. Her tits were very perky! She proceeded to wring her shirt out in the sink using ice-cold water, then put it back on, giving me flashes of her hard nipples that were practically tearing holes through the wet fabric.

Last night things got a little out of control. Before she left for the evening, Renee came into my office and told me to guess what color her panties were. After several unsuccessful attempts, she opened her legs to me, showing off her freshly shaven slit, and told me it was a trick question since she never wears panties when working at my house. "You're taking me home tonight," Renee teased me, closing her legs and securing her backpack around her shoulders. I couldn't get into the car fast enough.

As soon as we rounded the first corner of my neighborhood, Renee urged me to pull over. Before the car was even stopped, she was on my lap smothering my face with her tits. I grabbed her juicy mounds with both hands, running my tongue over the hot flesh and siphoning her tiny nipples into my mouth. Her skin smelt amazing and tasted sweet.

By now Renee was dry-humping my lap, smearing splotches of pussy juice all over my pants and ramming her tongue down my throat. Before I knew what had hit me she was unzipping my pants and stroking up my fat cock with her small hands. "How badly do you want to fuck me?" she asked, decorating the head of my cock with saliva. I couldn't even speak. I had never been so turned on in my life.

As I closed my eyes to take it all in, my cock started to feel warm, wet and squeezed. She was slowly stuffing her hole with my hose. It took a little while to get all of me inside of her because her pussy was so damn tight. After a few long strokes to dampen my dick, Renee started bucking her hips up and down, crashing her ass onto the tops of my thighs and squeezing my head into her chest. The sound of our skin smacking together was making my cock even harder.

"Bury your tongue in my pussy," she purred, bending over in my face to show off her cunt and asshole. I grabbed her butt cheeks, stuck out my tongue and dove in head-first. My tongue was lapping up both holes, while my teeth were busy nibbling the soft skin around the curve of her ass. "Do we taste good together?" she asked, spreading her pussy lips open with her fingers and securing them shut over my mouth. I seriously could have died and gone to heaven at that moment, but I knew I couldn't finish without knowing what my nuts felt like slapping against her ass in doggie.

She whimpered and moaned, ramming her pussy back against my prick to get a deeper sensation. I felt my balls tighten...

I pushed Renee's head down into the leather seat, wrapped my hands around her hips and sunk my cock inside her slit. She whimpered and moaned, ramming her pussy back against my prick to get a deeper sensation. Suddenly I felt my balls tighten. I knew I was about to cum. I rolled Renee around and shoved my dick in her mouth. "Suck it out, baby!" I urged, watching her cheeks round out with the head of my cock. When she resurfaced she opened her mouth to show me the monster cumload swimming inside. "Yummy," she smiled, swallowing.

It took me three hours to make it back home that night but I didn't care. Renee was worth it!

HOW TO BE A STUD!

PART 6: TOY BOY!

Let's be honest, a lot of guys don't like to introduce sex toys into a hook-up with chicks. It's natural to be worried that a dildo or vibrator that never goes soft might draw attention to any wood problems you might encounter. Or that the rabbit in the box has got so many bells and whistles that you're reduced to a mere spectator with a rapidly disappearing boner. But do it right, and the right toy at the right time can make the night go with an even bigger bang…

1: DON'T GET REPLACED

The point of using toys isn't just to give a chick something to warm up with or use if you need to take a break (or disappear for a cold one), but to enhance the action. What you don't want is something that makes you look bad. In other words, save the arm-thick 12" black dildo for another day. Instead, why not get something that she can use to buzz her clit while you pound that pussy from behind?

Avy Lee Roth crams Carmen Luvana in Adam & Eve's *Carmen and Ava.*

Toy + tongue + twat = tool touching.

Ava Rose's fake dick fills Bree Olson's real life pussy.

2: OPEN UP A NEW FRONT

Okay, so your babe is anal-shy. Your dick fills up her pussy, so she doesn't want to even think about you inching that up her pucker, but whenever you flick a tongue or finger over her rosebud, she shivers with pleasure. Toy time. She might not want to go straight for the full reaming, but a small butt plug can work as the ideal anal trainer. Get one that's not so big as to frighten her off, but not so small that her ass isn't ready for dick if she likes what she feels.

3: OPEN UP ANOTHER NEW FRONT

Toys aren't just for her. Just scan your local porn emporium's DVD shelves and you'll see a recent glut of titles like *Strap Attack* where guys take it lying down from porn chicks. Even if you're a little squeamish about the practice known as 'pegging', there's something a lot of guys like about the idea of Gianna Michaels bearing down on them with a strap-on and a whole lotta lube. Hey, it's not just about giving, sometimes it's about taking too...

Renee Perez and Karlie Montana make plastic fantastic.

If there ain't no boys, Charlie Laine and Celeste Star have always got toys.

4: GO CRAZY

Sex toys don't just have to be vibes, dildos and plugs. Okay, we're not expecting you to pretend a blow-up doll is a real participant in the threeway of your dreams, but think a little wilder. How about installing a sex swing so you can tap that twat at exactly the right height? Or how about any of the wide and weird world of plastic that adult novelty makers spend their life molding? If your chick is just happy with dick, you're fine as you are, but there's more to life than length. Well, maybe... ♣

EXPERIENCED + HORNY!

MY SEX LIFE!

"PICKED UP BY A HORNY

Recently I met a couple that wanted a girl to join them to spice up their sex life. It was the first time that I'd done something like this and I was a bit nervous but very excited – just the thought of it got me really wet.

I met Matt and Sasha (not their real names) at a hotel and we went straight to their room, dimmed the lights and got comfortable on the bed. It was very arousing to feel two pairs of hands on me, and then lips touching my body.

I started playing with Sasha's big tits, then peeled down her top and sucked her nipples. Matt and I both kissed and licked our way down her body and she started to moan as I kissed all around her hot, wet pussy, teasing her.

Soon I was lapping at her snatch, and Matt turned the lights up a little so he could see me eat his wife out, which really spurred me on. I love to eat pussy, and it was such a turn-on to make Sasha cum over and over, then kiss her so she could taste her own juices.

Matt started eating her out as I sucked on her nipples, and we kept switching places for a while, driving her wild. Now they wanted to get me off too. Matt sucked on my tits as Sasha went straight for my pussy. It was amazing having two people focusing all their attention on me, and I was soon cumming hard. Then we moved in a circle so Matt could eat Sasha while she ate me. She was going deeper and stronger, and actually made me squirt.

Matt started to finger me, then slid his hard cock into me as Sasha silenced my moans

COUPLE!"

"She was licking my clit and the root of Matt's cock as it slid in and out of me. He pulled out and shot his load..."

by sitting on my face. I started to cum, and Matt turned out to be an expert cocksman as he just kept on going without a pause and made me cum all over his cock again.

I started fingering Sasha and she turned around so we were in a 69. She was licking my clit and the root of Matt's cock as it slid in and out of me. Finally he pulled out and shot his load all over my pussy so Sasha could lick it up.

She and I carried on grinding together, licking and finger fucking, until Matt was hard again and moved in to take her from behind. Her fingers and tongue worked even faster on me and we were soon cumming simultaneously. Then Matt fucked me again, pulling out so we could both suck on his cock and balls until he came all over us and we licked up every drop.

Georgia peach Daja, 23, loves to hit the clubs on South Beach when she goes partying in Miami with friends. "We flash our titties and I always end up getting fucked in some swanky club bathroom!"

MY CONFESSION!

"I LOVE TO FUCK YOUNGER GUYS!"

I was out with my friend Vicky when she introduced me to Jason (I've changed all names to protect the guilty!). He was a much younger guy who apparently had a collection of porn movies featuring guys with older women.

According to Vicky, Jason had tried his luck with her one night, and you had to admire how he did it. She had gone back to his apartment and he just walked into the room with his cock dangling out of his pants, asking her if she was up for some action. She said no, because she's not into younger guys... but I would have said yes, so I gave him my number!

A few days later, he invited me to his place, and sure enough, there was porno all over the place. We had a drink and then I decided to play him at his own game. I went to the bathroom, and came back wearing just a basque, thong, stockings and high heels. His jaw dropped, especially when I demanded to see his cock!

He got it out and it was huge and veiny. I licked up the shaft, ran my tongue over the head, then sucked it until it was rock hard. I took off my thong and he feasted his eyes on my bald, pierced pussy. I let him have a look before I sat on his face, lowering my snatch over his mouth as he tongued me. I leaned forward so I could jack his cock as he ate me.

I spun around and hovered my pussy over his stiff dick, then guided it in and slid down it to the root. I started riding it, fast and furious, my pussy

"I SAT ON HIS FACE, LOWERING MY SNATCH OVER HIS MOUTH AS HE TONGUED ME. I LEANED FORWARD SO I COULD JACK HIS COCK..."

walls gripping it tight. Jason reached for my boobs and started squeezing them and pulling my nipple rings, making me cum.

Once I was used to the size of him, I bent over the table and told him to give it to me hard. There was a lot of cursing and ass slapping as he slid that monster into me. I was begging him to push it in harder and harder.

I came again, and then as his pumping got more and more powerful I knew he was on the verge of shooting his load. Sure enough, he pulled me hard against him and flooded my pussy with cum.

We didn't move as we caught our breath, and before I knew it he was hard again and fucking me to another climax. He did me three more times that night – younger guys have plenty of stamina!

ANGELIKA & CHUCK

SEE ANGELIKA CHUG CHUCK'S CUM AT
WWW.CLUBGIRLSXXX.COM

SEE OUR VIDEO AT WWW.CLUBGIRLSXXX.COM

Super sexy secretary Angelika might get a lot of action at the office – sucking her boss' cock before taking dick on his desk (in our sister mag *Club* back in January) – but the fun doesn't stop when she gets home. She's not just the perfect PA, she's the perfect fuckbuddy too, and Chuck doesn't mind a bit that she swings like a gate in the wind. Who would when she's wrapping her crimson lips around your cock and squeezing gently on your nuts?

Chuck's got a bigger dick than most of the guys she's balled, so Angelika is soon cumming as he bangs her box in spoon and doggie, working up a head of steam until his nuts are bouncing off her clit. Her tight slit is working wonders for him too and soon he's pulling out to blast his load, Angelika greedily grabbing every spurt of suds. How do we go about giving this girl a job? ♣
